ANTI-FAT

Art thou stout and getting stouter?
Stop eating—go to sleep.
Hie thee to the nearest drug store—
Ask for "Tablets-Arbolone."

II.

Arbolone will stop that craving.
Make these normal—that's well known.
Thou'll forget that hungry feeling
After taking Arbolone.

III.

And the pounds away will dwindle—
Waist no longer like a zone.
Thou'll be thankful to the maker
Of those Tablets-Arbolone.

Note—This little poem was written by a literary woman of Los Angeles, Calif., as a testimonial to Tablets-Arbolone. It so aptly and truthfully describes the virtues of this well-known anti-fat that the proprietors use it for advertising. Facts and gratitude are both expressed with admirable rhythm and metre.—adv.

The Famous European Tenor
Concert
Mr. Josef Rosenblatt
a Phenomenal Tenor

Having won the New York and leading cities' music critics to his banner, Mr. Rosenblatt, the great tenor, will come to Gary on Sunday, May 2nd, to perform a concert at the Gary theater. After his metropolitan concert at Carnegie Hall, Mr. Rosenblatt evoked thunderous approval, so quoted the New York American, and some authorities went so far as to pronounce his voice the most remarkable tenor since the debut of Caruso.

In His Operatic Airs

there was more than a suggestion of Caruso, said the New York Times. The program which Mr. Rosenblatt is to sing is considered to be just the sort to test his voice in all kinds of singing. One of the features most commented on by singers is the extraordinary power of trilling, of which his voice is capable. Mr. Rosenblatt turns handsprings in coloratura that Galli Curci or Borriantios might envy, said the New York Tribune. Mr. Rosenblatt is with the management of the Music League of America, Inc. Touring the most leading cities in the United States and draws the largest crowds to his concerts. Mr. Rosenblatt sings in different tongues, English, French, Italian, Polish, Hebrew and Russian. Your investment to hear the famous tenor at the Gary theater will be worth your while.

Remember the Place

at the Gary theater, Sunday, May 2nd, at 2:15 p. m. Tickets on sale at the House of Muscat, the Emporium, Max Bernstein, Mr. Marks at the Lake Shore News Stand, and at Mr. Levy's, 27 West 16th avenue. Watch for further announcement.

How Ladies Improve Looks!

"Many ladies, old and young, suffer a round of tortures with their nerves, and many are so frail, thin and bloodless that their splendid features are lost sight of while vain attempts to conceal the angularity of the figure decides no one but themselves and really excites the pity or ridicule of the world," said a well known largely employed practicing physician, in a recent lecture at a young ladies' college. "I do not mind exposing a little secret of mine to all such, as it can do no harm and may result in much happiness and health. It is simply this: Any thin, bloodless, nerve-tortured man or woman can become as fit as the fittest by taking regularly for several months an easily obtained pharmaceutical product known by the profession and pharmacists as three-grain hypo-nutrient tablets, put up in sealed packages with directions for home use."—Adv.

DOCTORS FAVOR NEW TASTELESS CASTOR OIL

New Process Makes Castor Oil Absolutely Tasteless.

Doctors have always prescribed castor oil when a real laxative is needed, and all mothers know how much trouble it is to get children to take it. There need be no more trouble, for doctors are now recommending Kellogg's Tasteless Castor Oil, from which absolutely all nauseating taste has been removed. Children take it readily. They need not even know it is castor oil. This splendid new form of the good old family remedy is the result of a remarkable process perfected by the chemists of Spencer Kellogg & Sons, Inc. In strength and purity Kellogg's Tasteless Castor Oil is exactly the same as the old-fashioned disagreeable kind. Nothing has been removed but the taste. Do not accept substitutes. If you want a really tasteless castor oil. At all good druggists. Two sizes, 25c and 50c.—adv.

fore his ills become serious. During a hard winter one feels rundown, tired out, weak and nervous. Probably you have suffered from cold or influenza which has left you thin, weak and pale. This is the time to put your system in order. It is the time for house-cleaning.

A good, old-fashioned alternative and temperance tonic is one made of wild roots and barks without the use of alcohol, and called Dr. Pierce's Golden Medical Discovery, in tablet or liquid form. This is nature's tonic which restores the tone of the stomach, activity of the liver and steadiness of the nerves, strengthening the whole system. Send Dr. Pierce, Buffalo, N. NY one knows enough to carry an umbrella when it rains, but the wise one is he who carries one when it is only cloudy. Any one will send for a doctor when he gets bedfast, but the wiser one is he who adopts proper measures before

Culver, Indiana: "About three years ago I suffered from a very bilious condition. My brother was taking Dr. Pierce's Golden Medical Discovery and my folks advised me to take it, too. One bottle of the 'Discovery' was all that I had to take to cure me of this condition. I think it a splendid remedy for sluggish liver, as well as being a good tonic, and am very glad to recommend it." Mrs. Mabel E. Klatt, Route 2.
